**Invitation for parents with their children
“Supporting with fun – together towards school success”**

Saturday, Mai 11th 2017, 9:30 am to 11:00 am

Dear parents

Your child will begin kindergarten in one year. Our school Rudolfstetten would like to provide you and your child with the best possible preparation for kindergarten. The kindergarten teachers of Rudolfstetten would like to show you some fun possibilities that you can use at home with your child.

During a small circuit you will be able to participate with your child and have a go at doing different things such as games, crafts or gymnastics - the natural curiosity of children never ends.

The children will prepare a healthy snack and the opportunity will occur to meet other parents and socialize.

We are looking forward to welcoming you and your child at this information morning and to get to know you.

Please register for this occasion so we can plan ahead.

With kind regards
